Please submit the following information:

1. Letter of appointment as a Hollywood correspondent from a foreign publication of recognized standing, published outside the continental United States. This letter should describe and support the "standing" of your publication: circulation, age group, etc.
2. Four complete and original issues from such foreign publication(s), each with one or more articles/interviews which must include your byline. If your publication(s) are not in Roman characters, please add a detailed, signed translation of the publication(s) title, date, title of the article and your name as they appear in the publication(s). Please highlight the information. (These publications must be dated after June 30, 2017.)
3. Evidence of payment from your foreign publication(s).
4. Letter of recommendation from each sponsor detailing how long you have been covering the entertainment industry while residing in the greater Southern California area and possible additional information regarding your journalistic activities.
